

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (2017-18)

The college has an established system procedure for maintaining different infrastructural facilities like Library, Education Laboratory, Sports ground, class rooms, generators, office equipments etc. The college has a Infrastructure Committee aided by the Technical Support to see the overall maintenance of the infrastructure need of the institution.

The head of the Infrastructure Committee acts as Estate Officer for the college. He keeps an eye on the college and maintains the college premises and campus. The Infrastructure Committee also looks the repairs work of the college assets.

Repair and maintenance work is done in and around the campus when it becomes necessary by Infrastructure Committee.

In case the nature of the work is Major or any kind of new construction of building is required, the matter is referred to Governing Body of the college. The Building Committee formed by the Governing body completes the task of new construction.

The duty of the House keeping staffs and gardener is to maintain cleanliness, beauty and greenery of the campus.

To ensure the security in the campus of the college CC TV cameras are installed at strategic locations. The college remains in vigil of the entire campus 24x7.

In order to provide a good library, the college has a Library management committee. The Library also provides a suggestion cum complaint box in order to get the feedback of the users. Binding of old and torn books are done periodically. The Library management committee holds meeting, whenever the situation demands.

The computer systems of the college are managed and maintained by in house committee headed by the ICT Cell coordinator.

The college has installed a Generator to meet the power cuts.

To ensure constant supply of clean water, provision has been made through ground water supply after filtration. It supplies clean and pure drinking water.

There is a computer laboratory in the college and the students are encouraged to use that.

The College has given the accommodation to every department separately attached with washroom.

The gymnasium hall is looked after by the College Office.

The classroom has been provided to major and non-major Students. The class room is equipped with adequate electric supply. The classroom is maintained by Infrastructure Committee.

The students pass their leisure time in the Boys and Girls Common Room.

The college has a good playground with necessary facilities for outdoor games and sports like football and cricket. There are ample facilities for athletics and gymnastics along with indoor games. The college encourages the outstanding sports persons by awarding medals and certificates of efficiency. Incentives in the form of financial aid to such persons are given. The participants taking part in various inter college, inter district, state or national level competitions are offered handsome incentives from time to time.
